Aug 1 Dennis Grueling and The Jewel Tones featuring Dennis Grueling
 Doors open @ 6:30 & Show starts @ 8

Blues Swing and R&B from New Jersey

Having spent time in New Orleans during 1992-3, Dennis came back home to the Garden State of NJ and quickly gained a reputation as a young rising star on the local scene, working in a couple different local blues bands. In addition to studying the classic harmonica & Chicago Blues records (Little Walter, Big Walter, James Cotton, Muddy Waters, etc...), Dennis also "cut his teeth" on some classic blues/R&B/swing saxophone records from the likes of Illinois Jacquet, Willis Jackson, Red Prysock, and Gene Ammons. In 1998 he started to form his own local "all-star" band (including saxophonist Joel Frahm). Ever since his self-titled debut with that band (Dennis Grueling & Jump Time!) hit the streets in 1999, Dennis has pulled in countless fans and numerous accolades from critics & musicians around the world for his swinging, highly original harmonica sound and style. Taking equal parts from the harmonica and swing/saxophone traditions and styles, Dennis has pushed the boundaries further for the sound of blues harmonica, while in the meantime pioneering a whole new sound and direction for the harmonica.

Aug 7 Stacy Mitchhart
 Aug 8 Stacy Mitchhart
 Doors open @ 6:30 & Show starts @ 8

Blues from Cincinnati, Ohio.

Mitchhart's musical journey began in his native Cincinnati, Ohio, in a home where jazz guitar masters like Wes Montgomery and Johnny Smith were played on the stereo. Therefore it was natural that he gravitated to the six-string. As a child he saw the outrageous Little Richard on a TV show and was captivated by his showmanship. Little Richard looked and acted differently than anybody he had ever been exposed to. Today, Mitchhart has created his own brand of showmanship that brings audiences back again and again.

Aug 12 Paul Thorn
 Show starts @ 6

Americana from Tupelo, Mississippi

Paul Thorn

Paul Thorn's new album Too Blessed To Be Stressed stakes out new territory for the popular roots-rock songwriter and performer. "In the past, I've told stories that were mostly inspired by my own life," the former prizefighter and literal son of a preacher man offers. "This time, I've written 10 songs that express more universal truths, and I've done it with a purpose: to make people feel good."

Which explains numbers like the acoustic-electric

charmer Don't Let Nobody Rob You Of Your Joy, where Thorn's warm peaches-and-molasses singing dispenses advice on avoiding the pitfalls of life. The title track borrows its tag from a familiar saying among the members of the African-American Baptist churches Thorn frequented in his childhood. "I'd ask, 'How you doin', sister?' And what I'd often hear back was, 'I'm too blessed to be stressed.'" In the hands of Thorn and his faithful band, who've been together 20 years, the tune applies its own funky balm, interlacing a percolating drum and keyboard rhythm with the slinky guitar lines beneath his playful banter.

Aug 14 Hector Anchondo & KALO
Doors open @ 6:30 & Show starts @ 8

Blues from Omaha, Nebraska.

Hector Anchondo doesn't just play the blues—he lives and breathes the blues. At 16-years-old, the budding musician picked up his first guitar and never looked back. He began an instant love affair with the instrument, especially Fenders. Born in Omaha, but raised seven miles outside of Salem, Missouri, Anchondo was able to take advantage of the tranquil farm life and learn guitar at a steady pace. He was drawn to those artists who played Fender Stratocasters like Jimi Hendrix, Stevie Ray Vaughn and Eric Clapton, but also respected the country greats such as Johnny Cash and Hank Williams Sr. As he got older, his propensity for music only intensified. After playing countless shows at family gatherings and hole-in-the-wall dive bars, Anchondo made the move back to Omaha, Nebraska in 2000. His first official recording, Rookies of the Year, was with his first band, Anchondo, and featured more energetic, Latin-influenced grooves. Recorded by the infamous A.J. Mogis of Presto! Studios (and later Saddle Creek Records), the album funded any touring for the next few years.

Aug 15 The 44's
Doors open @ 6:30 & Show starts @ 8

They've become a favorite band of club and festival crowds across North America.

The Great Soldier State: Kansas and the Civil War
October 3, 2014 - January 3, 2016

Frontier Kansas was pivotal in the Union victory. As Kansas impacted the war effort, the war also impacted Kansans. After the war, settlement by hundreds of thousands of veterans who created new towns, businesses, and railroads led Kansas to become known as the Great Soldier State.

This special exhibit tells the Kansas story of the Civil War and features related objects from the collections of the Kansas Historical Society.

Featuring an 1854 replica Log Cabin with Blacksmith Shop, 1870's Victorian Prairie Mansion on the National Register of Historic Places, and 2½ acres of Botanical Garden, including Anna's Place, a Victorian Reading Garden and a 240 foot cascading rock rivulet.

 Rimsky-Korsakov — Scheherazade

Travel to exotic worlds with the Topeka Symphony's night of music from the Far East, including the always-popular Polovtsian Dances from Prince Igor and Kansas City Conservatory composer Chen Yi's charming and playful Chinese Folk Dance Suite for solo violin, which incorporates Chinese folk music into a virtuosic violin concerto. Finally, we go to Arabia with Rimsky-Korsakov's Scheherazade, one of the most-often requested works for symphonies and a thrilling tour de force of Eastern melodies.
 THE WORLDS OF HOLLYWOOD
 February 13, 2016

Shore — Lord of the Rings
 Jarre — Lawrence of Arabia
 Korngold — Robin Hood
 Gold — Exodus

This Valentine's Day, let the Topeka Symphony take you to the worlds of the movies. We will play the sweeping, majestic scores from the silver screen, including beloved classics like Robin Hood and Lawrence of Arabia, as well as modern epics such as the Lord of the Rings and Pirates of the Caribbean.  THE WORLD IN STORM AND SEA
 March 19, 2016

Beethoven — Symphony No. 6 — Pastoral
 Young Artist Competition Winner
 Britten — Four Sea Interludes from Peter Grimes

2016 marks the 50th anniversary of the tornado which tore through Topeka. We remember the storm at this evening's concert of the World in Storm. We will play Benjamin Britten's stormy and dramatic Four Sea Interludes from the opera Peter Grimes and offer perhaps the most famous of all storm music, Beethoven's Symphony No. 6, the Pastoral. The Pastoral features a musical thunderstorm, including the calm before the storm, the raging storm itself, and the quiet afterwards, and will provide us an opportunity to reflect on the storm of 1966 and the years following as Topekans rebuilt. This will be a moving and powerful evening for all.

**Paws in the Park
Sept 19 9a to 12p**

Paws in the Park is the largest annual fundraiser for Helping Hands Humane Society. HHHS admits over 8,000 animals a year. The cost to compassionately care for and provide world-class medical care for this number of animals can be staggering but unavoidable. Paws in the Park helps to raise money to support the animals that enter our doors. HHHS is proud to provide sanctuary for the lost, abandoned and unwanted animals of the NE Kansas community.

NEW LOWER FEES! Registration to participate in Paws in the Park is \$25 which includes an event t-shirt, VIP goodie bag, and one souvenir dog bandana. Additional pets can be registered for participation with a \$10 donation. Attendees can also register for a \$5 donation but will not receive a t-shirt, goodie bag, or bandana. Children 16 years old and younger are free.

Paws in the Park is the must-attend event for any animal lover. The event begins with a one-mile mutt strut through Gage Park. Following the walk, vendors are open for shopping and browsing along with other activities. Throughout the morning, pet contests will be conducted and, for a minimal donation, pancakes and sausage will be served by Perkin's Family Restaurant and Bakery.

Win a Year Supply of Science Diet!!

You have the opportunity to use the internet to help raise money for Paws in the Park. Consider building a fundraising web page on your own or with a team to increase the amount of donations raised for Paws in the Park. Be competitive! It's fun! The person who raises the most money will win a 1 year supply of Science Diet from Hill's Pet Nutrition! To create your online fundraising page, visit www.razoo.com/hhhstopeka.

Become a Vendor at Paws in the Park

HHHS is still accepting vendors and sponsors for Paws in the Park. Consider being a part of the largest animal event in Topeka and showcase your business to the thousands who attend Paws in the Park each year. To register, please call Justin Brokar at (785) 233-7325.

Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas

The Merchant - 913 S Kansas Ave, Topeka, KS 66603 - 785-357-1444

The Merchant was started in 2009 by owner Lisa Boyd. Lisa has done design and fashion on a budget since she was 16 years old by hitting up clearance racks, garage sales, and estate sales. After spending most of her life doing this - she realized that Topeka needed a resale shop that specialized in eclectic fashion and great prices.

And that's what we are! **The Merchant is all about two things: Fashion and Price!** We spend our time looking for bargain fashion items so you don't have to. Our inventory changes **daily**, and is bought at great prices so we can offer it at great prices - so you can express yourself without blowing your budget. The Merchant has a wide range of styles, home accessories, and fashions that's sure to treat everyone's taste.

Providing Supported Employment Opportunities to those

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle.

Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!! Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

Photography is about reflecting who you are, at your best. You want to share what's important to you with the whole world, and I can make that happen. The photos you'll treasure your whole life aren't the unnatural poses with faces pointed at the camera. When you look through your memories years later, what you want is something that will bring you right back to how you felt that day. Your fingers brushing across your new husband's face as you gaze up at him, the fire in your eyes the day before your big game, the look that charmed everyone, and the spark that just lights up the room. That's what you need to capture, and for that, you need a photographer that doesn't see you as just another shoot.
