Spring is upon us!! Exciting changes in my near future. Every day I wake up, I am blessed to get to live another day! So many awesome people in my life.

Kim's Excellent Adventures

Girls Day Out I was excited to start February out with a day of fun and food with Shelly! We use to see each other all the time at work but she moved and now we have to schedule our sister time!! New pretty toes, lunch, shopping and lots of good talk!

Live Theatre: This month the show was Funny Money at TCTA. Jim and I started out at Quinton's for dinner. They always have great sandwiches! The show was pretty funny!

Meetings: Developing a new business includes a lot of meetings. I am working to build my support system and foundation to my next adventure! Every meeting makes me more excited about the new website.

Creatively BOLD Enterprises, LLC: This month I started my new business. It includes The Topeka Newsletter, EverythingTopeka.com, Accounting Plus, and Theatre Bus Trips are now all rolled into one! Since I want to help the community, I have reached out to the community to help!

TSA Precheck : I have wanted to do this since the first time they gave it to me! It wasn't hard. You complete an application , go in and give them our finger prints and pay the fee!

Day in Kansas City: I had planned on staying home and working but I got a phone call from my friend JJ. She really needed some Kim fun time! She came to Topeka and we headed to Kansas City to shop and go dancing! Why are last minute plans always the best times!! We ended up at Fuel and The Kansa Hall. I was the DD so my night was full of people watching and having fun watching JJ have a great time. She is more than a friend, she is family! I can't wait until our next adventure.

Day with Kolton: This little guy wasn't feeling 100% but he still wanted a slumber party with his Kimmy! We made it a movie weekend! I love my time with this guy!!

Day with Kolton: This little guy wasn't feeling 100% but he still wanted a slumber party with his Kimmy! We made it a movie weekend! I love my time with this guy!!

Blind Tiger - Mundane Monday: Well this Monday turned out differently than most of our Mondays. After our beer, I wandered upon some friends playing live music at The Blind Tiger! I intended on staying a short time but ended up staying pretty late! What an awesome site to come upon! So many talented people in the world!!

Open House/New Businesses: Bajillion Agency & MotoVike Films. I was excited to be invited this party! So many young energized professionals coming together to create collaborations. I believe that collaboration is the only way to go when you can find people you trust!! HHB BBQ catered the event and it was AMAZING!!!

Krazy Karaoke: Ended the month at Pigskins for Krazy Karaoke with Robin!

New Exhibit Opening
"Painted Quilts across the Flint Hills"
An exhibit featuring
The rich beauty and history of the Flint Hills
through the art form of Barn Quilts

On display in the Fink Exhibit Gallery

January 29 - April 30

Welcome to the Kansas Flint Hills Quilt Trail!
Driving through the countryside anywhere in the world you will likely come across many barns. They drape the country in a multitude of designs, colors and architecture. Some barns are painted to display advertisements. However, a woman named Donna Sue Groves, from Adams County, Ohio wanted to honor her mother by hanging a colorful painted quilt block on her barn. Instead of just one quilt block, she began a community project with twenty quilt blocks being displayed along a driving trail to encourage visitors to travel through the countryside. This was the start of the first quilt trail in America. Quilt trails are organized all across the country. Quilt blocks are displayed on barns around the countryside and mapped out for tourists to follow these amazing works of art.

Join us on a scenic journey through the Flint Hills countryside to celebrate the piecing together of beautiful quilt patterns, agricultural heritage, agricultural history and culture, and promoting agritourism and rural pride.

In celebration of Kansas Day, on January 29, all guests will receive free admission to the museum to view the exhibit!

Kansas Museum of History - Special exhibit - What's Cooking, Uncle Sam?

Food. We love it, fear it, and obsess about it.

We demand that our Government ensure that it is safe, cheap, and abundant. In response, Government has been a factor in the production, regulation, research, innovation, and economics of our food supply. It has also attempted, with varying success, to change the eating habits of Americans.

From the farm to the dinner table, explore the records of the National Archives that trace the Government's effect on what Americans eat.

- Britten — Four Sea Interludes from Peter Grimes

2016 marks the 50th anniversary of the tornado which tore through Topeka. We remember the storm at this evening's concert of the World in Storm. We will play Benjamin Britten's stormy and dramatic Four Sea Interludes from the opera Peter Grimes and offer perhaps the most famous of all storm music, Beethoven's Symphony No. 6, the Pastoral. The Pastoral features a musical thunderstorm, including the calm before the storm, the raging storm itself, and the quiet afterwards, and will provide us an opportunity to reflect on the storm of 1966 and the years following as Topekans rebuilt. This will be a moving and powerful evening for all.

ADMISSION IS FREE

Anxious 4 Nothing is a local Topeka band, creating a very enlightened atmosphere for finding your way. Chuck Higgins writes songs that have melodic hooks for your soul. Christian Rock with Traditional roots.

Ponderworthy Music plays original, motivational, thought-provoking, instrumental music, in which many different genres heterodyne into some really good stuff! Very difficult to genreize, the best words so far appear to be "music of compassion, fire, and life!"

Contemporary Christian rock band Grandeur creates abundant and powerful melodies and authentic lyrics that speak God's truth and offer reassurance of the depth of God's love for all people.

Oddfellow's is Topeka's newest and greatest collectibles store. We offer a huge selection of quality used books of every kind and subject. We also offer a great selection of coins and currency as well as comic books, stamps, ephemera, and LOTS of other things to excite the collector in you.

WE ARE NOT A PAPERBACK TRADE!!!

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to keep you up-to-date on author signings and other events around the store.

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle.
Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!!
Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

Photography is about reflecting who you are, at your best. You want to share what's important to you with the whole world, and I can make that happen. The photos you'll treasure your whole life aren't the unnatural poses with faces pointed at the camera. When you look through your memories years later, what you want is something that will bring you right back to how you felt that day. Your fingers brushing across your new husband's face as you gaze up at him, the fire in your eyes the day before your big game, the look that charmed everyone, and the spark that just lights up the room. That's what you need to capture, and for that, you need a photographer that doesn't see you as just another shoot.

MAY WARMER AND SCENT OF THE MONTH

Caribbean Blue
 Welcome to the islands, where the sun is warm and worries drift away on the ocean breeze. Wade into crystal-clear turquoise waters. Dive below the surface and explore. Doze off on a beach towel and let the sun dry your skin. It's just another day in paradise.

Sea Salt Mist
 Conjure a gentle tide lapping against driftwood, a rustle of beach grass, a spray of ocean mist and sea salt with bright mandarin and sultry amber.

Positive Connections

Positive Connections is a community-based program committed to working with HIV-infected persons and their significant loved ones, and through education minimizing the HIV infection rate. Positive Connections provides direct client services and networks closely with other community-based agencies and service providers to assist in meeting the clients' social, legal, educational, and health care needs.

In an effort to reduce HIV infection, Positive Connections provides the community with appropriate education services to increase understanding, reduce fears, and gain knowledge of risk-reduction practices.

Family Service & Guidance Center has been helping children and families since 1904. Today, FSGC offers a number of mental health services, education and outreach programs to over 12,000 children and families each year. "...because every child deserves a happy childhood."

Ronald McDonald House Charities lifts children and families to a better tomorrow by providing a home-away-from-home for families of seriously ill children staying at nearby hospitals.

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

The ReStore resale outlet accepts donated building materials from builders, re-modelers and individuals and then sells to the general public at a fraction of the retail price. Nationwide, Habitat for Humanity ReStore resale outlets (of which there are about 500) sell leftover building materials including tile, cabinets, windows, fixtures, etc as well as materials that were removed from remodeled homes and businesses. Proceeds earned from the ReStore will finance construction and rehabilitation of houses for families qualified to purchase Habitat for Humanity homes.

Anxious 4 Nothing is a local Topeka band, creating a very enlightening atmosphere for finding your way. Chuck Higgins writes songs that have melodic hooks for your soul. Christian Rock with Traditional roots.

Paradiseworthy Music plays original, motivational, thought-provoking, instrumental music, in which many different genres harmonize into some really good stuff! Very difficult to generalize, the best words so far appear to be "music of compassion, life, and life!"

Contemporary Christian rock band GRANDEUR creates abundant and powerful melodies and authentic lyrics that speak God's truth and offer reassurance of the depth of God's love for all people.
