October was a great month!! I survived my last birthday in my 40s and the Royals are in the World Series!!

Jim's Excellent Adventures

Birthday Dinner: M... North Star on your b...

Star and get my free steak dinner with friends and family. It is always tasty and FREE when you go to for reservations!!

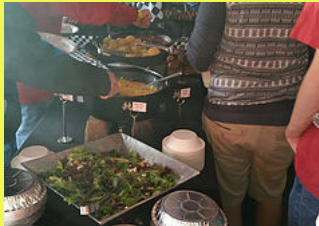

Toni & Teri's Birthday partyin KC I love October because awesome people were born in this month! Tons of girls gathered for a final 40's party. The theme was Black and Pink! Good times with awesome friends!

Wicked Bus Trip: After the Book of Mormon trip, I planned another one for... and 54 seats on the bus. It was an awesome day. After the show Jim bought... surprise!! Our next trip is in April to see Kinky Boots.

...able to sell 70 tickets for the show... and a back stage tour!! A great

American Royal: I have never been to the American Royal. This year Frankie and I thought we would give it a try. We went on Saturday night for the concert. We went VIP so our food and beverages were included. We were supposed to have good standing room for the concert but we didn't. The food was worth going for. The concert was not.

Cheifs game: My 2nd game of the season!! We arrived around 9:30am to tailgate with our new friends and some old ones! The Chiefs won and it was a great day!! The weather was perfect!

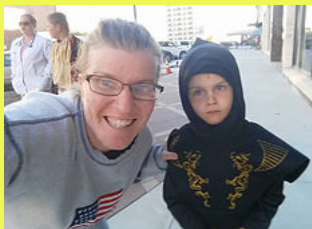

Jazz and Food Truck Festival Downtown: Well I had planned to go and enjoy a night with friends but when I arrived there was a line out the door at The Break Room so I stepped in to help bartend. I did get to enjoy some of the event! I also got to eat delicious food!!

Pot Luck Dinner: Who doesn't love a pot luck!! This year we had a great turn out!! Tons of yummy food!

Boo it Downtown: This event has grown since we first started! Over 2700 kids came through to get candy at The Break Room. I took Kolton!

My birthday gifts! I got the coolest gifts!!

**The Great Soldier State: Kansas and the Civil War
October 3, 2014 - January 3, 2016**

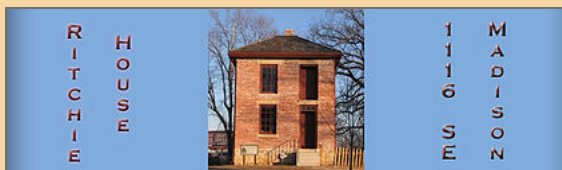

Frontier Kansas was pivotal in the Union victory. As Kansas impacted the war effort, the war also impacted Kansans. After the war, settlement by hundreds of thousands of veterans who created new towns, businesses, and railroads led Kansas to become known as the Great Soldier State.

This special exhibit tells the Kansas story of the Civil War and features related objects from the collections of the Kansas Historical Society.

Featuring an 1854 replica Log Cabin with Blacksmith Shop, 1870's Victorian Prairie Mansion on the National Register of Historic Places, and 2½ acres of Botanical Garden, including Anna's Place, a Victorian Reading Garden and a 240 foot cascading rock rivulet.

Murdermind

October 23 - November 7, 2015

Gloom overhangs Mayhew Manor, touching all who dare enter. This twisted murder mystery follows the Mayhew family as Clifford Brownell arrives at the manor to help. Is Brownell an actor in this drama of the macabre, or is he the principal player? Where does sanity end and illusion begin? This gothic tale of horror, love and death is sure to brighten a gray day and make restless a still night.

By Bart McGallion. Produced through special arrangement with Samuel French Play Service.

A Christmas Carol

November 27 - December 20, 2015

The immortal classic tale of redemption and forgiveness that has thrilled audiences for generations returns to TCT's stage with roving carolers and lively action. The new script is dramatized with flair and wit in a version first performed by the Royal Shakespeare Company. This adaptation of the ageless story captures Dickens' ironic point of view while it creates a panoramic view of Victorian London. All of the loved characters are in place.

From the novel by Charles Dickens. Adapted for the stage by John Mortimer. Produced through special arrangement with Samuel French Play Service.

Diary of a Worm, a Spider and Fly

November 6 - November 15, 2015

Is Spider getting too big for his own skin? Will Fly find her superhero powers? Will Worm learn to stand on his own two feet...even though he doesn't have feet? Take a look at the world from a bug's perspective in this new musical which captures all the droll humor and whimsy of the wildly popular books.

A new musical based on the books by Doreen Cronin. Book, music and lyrics by Joan Cushing. Produced by special arrangement with Susan Gurman Agency, LLC.

ber 28,

As we prepare for our 10th Annual Rescue Run in 2015, we have special plans for everyone who has completed all nine Rescue Run's starting in 2006. If that's you, please contact the Race Director, Tony Estes at your convenience.

FREE PHOTOS will be available at the Rescue Run again this year! Visit <http://runandshootphoto.smugmug.com/Rescue-Run-5K-2014> to find yourself and your friends, and download your free pictures from the 2014 Rescue Run!

The race course this year will again be modified due to construction on Kansas Avenue but the start and finish lines will still be located near the Topeka Tower, just as it was in 2014. The course will incorporate a portion of our original 4 Mile course as well as a portion of our most recent 5K course. The race course will follow this years' parade route, (the race start line is on 6th Avenue just west of Quincy Avenue) which from the 500 block of S Kansas Avenue will track west on 6th to Harrison, South on Harrison to 10th, east on 10th to Quincy, and north on Quincy back to 6th. All runners will do two loops of the race course and all runners will be electronically timed. Walkers will have the option of doing one or two laps of the course. Although the route is modified, the race course is certified and allows us to retain our USATF credentials; certification number KS14051KH. The start line will now be located on 6th Ave, just west of Quincy and the finish line will still be located at 5th and Kansas, on the north side of 5th St.

Since you'll be leading the parade, you'll receive glow items in your packet and you're encouraged to wear numerous lights and holiday costumes. Bring more of your own lights and "light up the night!" The "Brightest Light" male and female chosen by popular vote at the awards ceremony will receive a special award. So, show up, dress up, and let everyone see your holiday spirit!

October 2015

Introducing Themed Thursdays

Starting in October join us every third Thursday of the month for a special volunteer shift with a theme! During these shifts volunteers will get to sort and repackage donated product in our Volunteer Engagement Center while also participating in a fun activity.

This month the theme is trivial! The concept is simple and the questions are fun, but don't be fooled - our questions will prove challenging for all participants. Teams will compete against each other in answering questions from various topics to win prizes. This family friendly event is formatted so that all ages will enjoy participating, however please keep in mind that volunteers need to be at least 8 years old to help in our warehouse.

Upcoming Themed Thursdays are as follows:
Thursday, October 15th 4:00 p.m. to 6:00 p.m. — Trivia Night
Thursday, November 19th 4:00 p.m. to 6:00 p.m. — Activity to be determined.
Thursday, December 17th 4:00 p.m. to 6:00 p.m. — Activity to be determined.

Space is limited, contact us today to sign up!

Oddfellow's is Topeka's newest and greatest collectibles store. We offer a huge selection of quality used books of every kind and subject. We also offer a great selection of coins and currency as well as comic books, stamps, ephemera, and LOTS of other things to excite the collector in you.

WE ARE NOT A PAPERBACK TRADE!!!

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to keep you up-to-date on author signings and other events around the store.

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle. Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!! Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

Photography is about reflecting who you are, at your best. You want to share what's important to you with the whole world, and I can make that happen. The photos you'll treasure your whole life aren't the unnatural poses with faces pointed at the camera. When you look through your memories years later, what you want is something that will bring you right back to how you felt that day. Your fingers brushing across your new husband's face as you gaze up at him, the fire in your eyes the day before your big game, the look that charmed everyone, and the spark that just lights up the room. That's what you need to capture, and for that, you need a photographer that doesn't see you as just another shoot.

Downtown's Top of the Tower Club Hosts Summer Promotion to Public

With the downtown redevelopment in process, it's a great location to view the progress on Kansas Avenue and enjoy the terrific atmosphere for a special meal with your significant other or a place to impress a business associate. The club welcomes you to see its premier space and enjoy Chef Miguel's special menu and extensive top shelf bar offerings using always fresh, hand prepared mixes. The promotion allows non-members, who may not have visited the Club before, the opportunity to enjoy the great atmosphere and dining for a small cover charge of \$5/person or \$20 maximum for groups up to 8.
