he weather this year was not the best for boating or an so I can make it through the cold winter! Then I ping to be a blast!!!

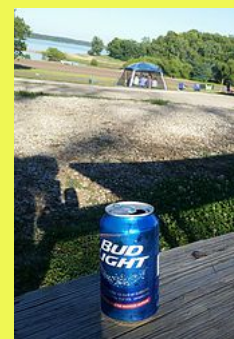

### Ultimate Camping

### Jim's Excellent Adventures

I also love my camping friends!! What a fun time! I wish more people could join us but I understand how Birthday!!

**Royals Game** I am lucky to be able to go to so many Royals games!! Plus I am able to bring my friends! This month Jenni and Dave joined Frankie and !! Marlee, Greg and kids also got to go! Passing on the fun to friends!

**Microbrew Fest at Zona Rosa:** I am not a big beer drinker so I thought this would be a good place for me to try samples. My new favorite is Beer Sellers, Root Beer and Johnson County Brewers Margaritta Radler.

**Wizard of Oz:** Last show of the year and I took Kolton to his very first live production. Now not many people would bring a 5 year old to dinner theatre for their first experience but I knew Kolton would love it! I also got to bring Paige, my friend Marlee's daughter and my friend Jay and his stepson. Chelsea, Max and Jim also went along! Kolton did a great job and when it was over he started crying because he didn't want it to be over! I also think not taking a nap had something to do with his emotions but he was awesome!!

**Summer Concert:** The third concert as Lady Antebellum. This concert was quite a disappointment. I did not enjoy Hunter Hayes and after that, the energy for the concert was a bit off! They weren't horrible but it wasn't one of my favorites! I still had fun with my friends!!

**Shawnee North Pool:** I was excited to have a Kolton and Chelsea day at the pool!! The weather was perfect and we all had a blast!!

### The Great Soldier State: Kansas and the Civil War October 3, 2014 - January 3, 2016

Frontier Kansas was pivotal in the Union victory. As Kansas impacted the war effort, the war also impacted Kansans. After the war, settlement by hundreds of thousands of veterans who created new towns, businesses, and railroads led Kansas to become known as the Great Soldier State.

This special exhibit tells the Kansas story of the Civil War and features related objects from the collections of the Kansas Historical Society.

The Ad Astra Theatre Ensemble is proud to begin our annual tradition of working with a local playwright and bringing their creations to the stage.

Join us as we stage the world premiere of Marcia Cebulka's brilliant play, Visions of Right.

The play, which was hailed as having, "a wonderful sense of transformation in the play, moments of transcendence, of epiphany, of illumination." by Chicago Dramatists.

Trying to come to terms with the effects of prejudice and violence, a woman confronts a hate-mongering extremist and learns how fragile her own humanity is. "Inspired" by the ministry of Rev. Fred Phelps.

Simultaneously the Westboro Baptist Church said, "The play is a blasphemous defamatory attack on Christianity, the Bible and Jewish Torah traditions, to wit: 'Thou shalt not lie with mankind as with womankind; it is abomination.' Lev. 18:22"

Don't miss this world premiere staging and other events surrounding this truly magnificent play.

**Paws in the Park**

### Sept 19 9a to 12p

Paws in the Park is the largest annual fundraiser for Helping Hands Humane Society. HHHS admits over 8,000 animals a year. The cost to compassionately care for and provide world-class medical care for this number of animals can be staggering but unavoidable. Paws in the Park helps to raise money to support the animals that enter our doors. HHHS is proud to provide sanctuary for the lost, abandoned and unwanted animals of the NE Kansas community.

**NEW LOWER FEES!** Registration to participate in Paws in the Park is \$25 which includes an event t-shirt, VIP goodie bag, and one souvenir dog bandana. Additional pets can be registered for participation with a \$10 donation. Attendees can also register for a \$5 donation but will not receive a t-shirt, goodie bag, or bandana. Children 16 years old and younger are free.

Paws in the Park is the must-attend event for any animal lover. The event begins with a one-mile mutt strut through Gage Park. Following the walk, vendors are open for shopping and browsing along with other activities. Throughout the morning, pet contests will be conducted and, for a minimal donation, pancakes and sausage will be served by Perkin's Family Restaurant and Bakery.

**\*Win a Year Supply of Science Diet!\***

You have the opportunity to use the internet to help raise money for Paws in the Park. Consider building a fundraising web page on your own or with a team to increase the amount of donations raised for Paws in the Park. Be competitive! It's fun! The person who raises the most money will win a 1 year supply of Science Diet from Hill's Pet Nutrition! To create your online fundraising page, visit [www.razoo.com/hhhstopeka](http://www.razoo.com/hhhstopeka).

**\*Become a Vendor at Paws in the Park\***

HHHS is still accepting vendors and sponsors for Paws in the Park. Consider being a part of the largest animal event in Topeka and showcase your business to the thousands who attend Paws in the Park each year. To register, please call Justin Brokar at (785) 233-7325.

History of the Bruce Whaley Spirit Ride

The Bruce Whaley Spirit Ride is a benefit ride and a memorial to a young Topekan who passed away unexpectedly due to acute leukemia. The ride's proceeds are donated to The Leukemia and Lymphoma Society for patient financial aid in the Topeka area.

Whaley made a trip in March 1995 with his girlfriend, Lana Schumaker. The couple spent spring break in the Southwest, skiing in Flagstaff and gambling in Laughlin.

Whaley returned Saturday, March 18 with a bad sunburn and a sore throat. He visited a doctor, fearing he had strep throat, was prescribed some antibiotics and told he should feel better by Monday morning.

But on Monday, March 20, Whaley was in an emergency room. He lapsed into coma and died of a previously undiagnosed rare form of leukemia.

Whaley's family accepted his bachelor's degree from Washburn University. Getting his son's degree was important because of how hard he worked on his studies, said his father, Darrell Whaley. "Sometimes he would study 24 hours a day getting ready for a test, and then crash after he took it."

"After his grandmother died...Bruce just sat down and decided that he was going to do well in school. It was something he could do for her," Schumaker said.

Whaley needed only one more 4-hour flight to obtain his pilot's license. He was about to finish in just one year a program which took most students several years to complete.

Whaley was a Staff Sergeant serving as Crew Chief with the 190th Air Refueling Group, Kansas ANG, from 1989 until his untimely death in 1995. He participated on worldwide deployments with his team and aircraft. He was a veteran of Desert Shield.

Sister Loretto Marie, of St. Francis Hospital where he worked since 1992, described him as "a dedicated employee who was well-liked by his coworkers," someone who "did his best to relieve patients' worries."

The ride was originally a project of the nurses and physicians in the rehabilitation area of St. Francis Hospital where Bruce worked. It was called the Spirit Ride. Most of the participants were employees of St. Francis, and Bruce Whaley was an active participant. Bruce juggled his job in transportation at St. Francis, his classes at Washburn, and service in the Air National Guard with many athletic activities. Bruce frequently introduced employees to bike riding by challenging them to join him on the Spirit Ride.

When acute leukemia unexpectedly and abruptly claimed his life at age 24, friends and family were stunned. Everyone remembered Bruce as always smiling, whatever the circumstances. He was easy-going but hard-working, loved challenges and never took the easy way out. In addition to cycling, he loved snow and water skiing, and was as passionate about flying private aircraft as he was about writing poetry.

Bruce's family actively participates in the planning and support of the ride. The renaming of the Spirit Ride is a tribute to the memory of Bruce Whaley and the spirit for life he displayed.

After spending most of her life doing this - she realized that Topeka needed a resale shop that specialized in eclectic fashion and great prices.

And that's what we are! **The Merchant is all about two things: Fashion and Price!** We spend our time looking for bargain fashion items so you don't have to. Our inventory changes **daily**, and is bought at great prices so we can offer it at great prices - so you can express yourself without blowing your budget. The Merchant has a wide range of styles, home accessories, and fashions that's sure to treat everyone's taste.

Oddfellow's is Topeka's newest and greatest collectibles store. We offer a huge selection of quality used books of every kind and subject. We also offer a great selection of coins and currency as well as comic books, stamps, ephemera, and LOTS of other things to excite the collector in you.

**WE ARE NOT A PAPERBACK TRADE!!!**

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to keep you up-to-date on author signings and other events around the store.

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle.  
Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!! Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

Photography is about reflecting who you are, at your best. You want to share what's important to you with the whole world, and I can make that happen. The photos you'll treasure your whole life aren't the unnatural poses with faces pointed at the camera. When you look through your memories years later, what you want is something that will bring you right back to how you felt that day. Your fingers brushing across your new husband's face as you gaze up at him, the fire in your eyes the day before your big game, the look that charmed everyone, and the spark that just lights up the room. That's what you need to capture, and for that, you need a photographer that doesn't see you as just another shoot.
